COVID-19 shows why we need to reboot government in America ...

The American Revolution was built on the foundation of belief in natural rights, consent of the governed, limited government, the responsibility of government to protect private property, and the equality of citizens. The Constitution written by the Framers incorporated all of these ideas. The Road to Revolution Life was good in the colonies

Government in America: People, Politics and Policy

Government in America provides a solid foundation for a course in American government and politics. In the Eleventh Edition, the authors continue to adopt a policy approach to American government as a method of enabling students to understand the policies that governments produce. The themes of democracy and the

Government in America

In the past, when government policy or the officials making it have gone rogue, broken the law, and conspired against the basic tenets of American democracy, they have, at times, paid the price.

Government Accountability Has Been Long Gone in the US ...

Government in America helps students see that politics drives what government can-or cannot do-for the people. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues.
