Creative Confidence: The Path From Blank Page to Insight

The more the mastery, the more direct the path from original concept to final creation. Freeing the mind is different than focusing the mind. Focus needs an object of attention. To a creator, the object of focus is the final result that he or she wants to create.

The Path of Least Resistance Learning to Become the ...

And arguably, great creative is standing on the shoulders of great thinking. Having said that, I've also seen great work with no strategic insight in it at all but it's still great. I don't think you have to have great insights necessarily, to produce great work, but you have to be able to lean in and embrace original thoughts and ideas.

Creativity, Purpose And Advertising

Last Friday, a virtual discussion titled The Future of Materiality: Exploring New Technologies, Ideas, and Inspiration for the Design Ecosystem brought together a panel of experts to explore the ways in which designers can rethink the use of materials in creating clean, safe interiors. Moderated by ThinkLab president Amanda Schneider, panelists included Yorgo Lykouria, founder and creative ...
